

# SAKYA CARE FOUNDATION

**Holistic Health Care with  
Compassion, Understanding, and Love**

Dear Sponsor:

Sakya Care Foundation is a 501(c)3 nonprofit organization with a mission to deliver holistic health care with compassion, understanding, and love to those in need.

We invite you to become a sponsor for our annual HUMANITARIAN MISSION TRIP to benefit the impoverished population in developing countries.

This year's exciting event will be held from May 28<sup>th</sup> to June 5<sup>th</sup> of 2016 in Central Vietnam. We will organize several mobile clinics daily to remote villages of the high mountain areas where people have limited access to quality and affordable health care. Our mobile clinic services include medical, dental and vision, which will be provided at NO COST to the patients. We anticipate serving up to 3000 patients with an estimated cost of \$40,000 for equipment and medicine alone.

The primary source of funding for our HUMANITARIAN MISSION TRIP is from individual and corporate sponsors, such as yourself. The Sakya Care Foundation receives no government funding. All donations will be used primarily for mobile clinic purposes on this trip with no associated administrative costs. Our participants will be paying for their own travel and accommodation expenses.

As you may be aware of, Sakya Care Foundation has provided free medical, dental and vision services to many communities in California and Texas for the past three years. We also had a successful mission trip to India in November 2015 where we provided free primary care services to about 1,500 patients.

Your sponsorship will assist us in having a successful mission this year in the remote areas of Vietnam, where quality healthcare is still a luxury to most people. Enclosed you will find a flyer with more information on this exciting mission as well as the recommended sponsorship levels. Please do not hesitate to contact me with any question you may have. I look forward to hearing from or speaking with you at your earliest convenience.

Respectfully yours,

The Sakya Care Mission Team

Chairman - Jowan Do, OD
